

OBJECTIVE OF THE CONFERENCE

This Conference seeks to provide a forum for interaction amongst Academics, Engineering Practitioners, Industry leaders, Policy makers and others on recent developments in the fields of Engineering and Technology. It is anticipated that the conference will foster exchange of knowledge, links and collaboration among training institutions, research institutes and industries.

SCOPE OF THE CONFERENCE

The Scope of the Conference will cover such related fields as Engineering, Technology, Sciences, Environment and other related fields of study and practice. The Conference will focus on the following sub-themes.

CONFERENCE SUB-THEMES

1. Engineering Education and Industrial Partnership.
2. Emerging Trends in ICT.
3. Electricity Generation, Transmission and Distribution Network.
4. Advances in Mechatronics Technology.
5. Computer-Aided Engineering Design and Project Management.
6. Modeling and Simulation.
7. Agricultural Mechanization for Improved Agricultural Raw Materials in Agro-based Industries.
8. Electrical Power Systems and Utilities.
9. Engineering Infrastructural Challenges and National Development.
10. Sustainable Engineering Entrepreneurship.
11. Gender Challenges in Engineering Practice.
12. Renewable Energy and Waste Management
13. Bioremediation and Chemical Engineering Research
14. Engineering Materials Research.
15. Telecommunications.

CALL FOR PAPERS

Papers are invited from Engineers, Engineering Practitioners and Scientists from the Polytechnics, Universities, Industries, Research Institutions, Policy Formulators and other Stakeholders

PAPER FORMAT / INSTRUCTIONS FOR PREPARATION OF MANUSCRIPTS.

Prospective Authors are expected to submit soft copies of the full length paper which shall not be more than 12 A4 size pages 1.5" spacing, including equations, tables, figures and references.

1. The paper should include:
 - a. Title (15 words maximum length)
 - b. Author(s) name(s), affiliation, present address including E-mail.
 - c. Abstract (maximum of 300 words)
 - d. Clearly written introduction to explain the nature of the problem, previous work, purpose and contribution of the paper.
 - e. A maximum of six key words
 - f. Theoretical Development, Experimental procedure, Results and Discussion (where necessary)
 - g. A conclusion which should indicate clearly the advantages, limitations and possible applications.
 - h. References should be by author/ date citation method and the references listed in alphabetical order.
2. Manuscript should be typed in 12pt Times New Roman Font on A4 size paper with standard margin on all sides. The title and author(s) information are to be centered across the top of the page. and author(s) information are to be centered across the top of the page.
3. Manuscript should be 1.5 spaced with 1.5 line space between paragraphs and 0.5 space paragraph indentation.
4. The manuscript should be paginated at center bottom.
5. The manuscript should be camera ready for reproduction.

PROGRAMME DEADLINE

1. Receipts of Abstracts - September 5th, 2011
2. Notification of acceptance of Abstracts - September 15th, 2011
3. Receipts of full papers - October 5th, 2011
4. Notification of Acceptance of full papers - 30th October, 2011
5. Receipt of final manuscripts (camera ready) - 5th November, 2011
6. Conference - 15th/16th November, 2011

Authors of accepted papers must register for the conference.

IMPORTANT NOTICE

RECEIPTS OF ABSTRACTS, FULL PAPERS AND NOTIFICATION OF ACCEPTANCE CONTINUES TILL 30TH, OCTOBER, 2011

FEES

Registration Fee - N10,000

Payment is by CASH at the conference venue.

Further information as regards other means of payment will be communicated.

PUBLICATIONS

The Conference BOOK OF ABSTRACTS will be distributed to the participants at the venue while fully edited CONFERENCE PROCEEDINGS will be made available to authors after the Conference.
